AGENDA - Day 2: Wednesday December 5th 2018

09:20–09:30	Opening of Day 2	Ioannis Paspaliaris Vice Rector, NTUA
Education and Training		Chair:
09:30–10:15	EIT RawMaterials: Education and Training Opportunities or EIT RM ESEE Education Strategy	Imre Gomboto , EIT RawMaterials
	Education and training needs for the Greek RM sector	
		Department of Production and Management Engineering/DUTH
		Delegates from other Universities
		IGME
		EYDAP
		Ministry of Education
10:15–10:45	DISCUSSION – Q&A	
10:45–11:00	Coffee break and networking	
Innovation		Chair
11:00-12:00		IMERYS
		AoG, Mytilinaios Holdings
		Monolithos
		Delegates from Cyprus
		School of Mineral Resources Engineering, Technical University of Crete
		Demokritos
		Delegates from other Research Institutes in Greece
		Ministry of Economy & Development
		Ministry of Environment & Energy
	EIT RawMaterials Successful SME and Startup cases funded by EIT RM	Markus Klein Business Developer, EIT RawMaterials
12:00–12:30	DISCUSSION – Q&A	
12:30–13:15	Lunch	
SLO/Land Use Planning		Chair:

EIT Raw Materials: 3rd Greek Raw Materials Sector Dialogue

Athens, 4th –5th December 2018, Athens, Greece

13:15–14:30	MIREU/ MINLAND Projects	
		Hellenic Gold SA/ El Dorado Group
		Delfi-Distomon, Mytilinaios Holdings
		Heracles Group of Companies, member of LafargeHolcim
		Geological Survey Department of Cyprus
		Ministry of Environment
		KGHM Poland
	EIT RM related projects and activities	EIT RawMaterials
14:30–15:00	DISCUSSION – Q&A	
15:00 – 18:00	LIFEPOSITIVEMgOFGD Workshop: New desulfurization technology for SO_x reduction with positive net environmental impact based on MgO reagents	
15:00 – 18:00	EIT RIS Hubs – Cross Hubs Workshop	
18:00	Event Closure
