

University Pathways: Onboarding Instructions

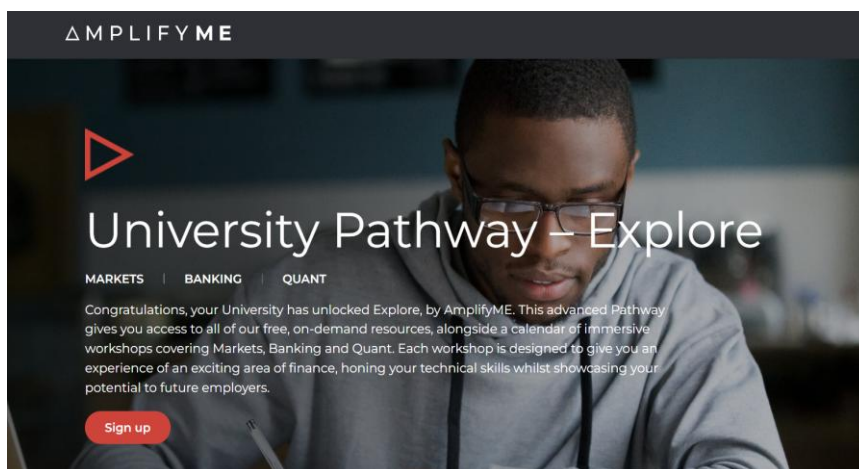

AMPLIFYME
EXPERIENCE FINANCE

Welcome to Explore, by AmplifyME!

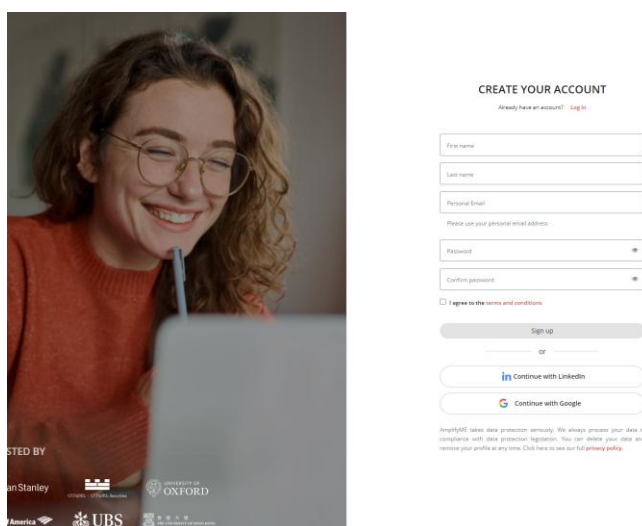

Your university has unlocked the Explore tier of **AmplifyME's University Pathways**, which means you get access to an unparalleled range of immersive workshops, careers sessions and on-demand learning until 31st August 2025.

How to Sign-up to Pathways

1. You should have received a link to your university's unique sign-up page. This will have been sent to you by your university via email. If you have not been sent this email, please follow-up with your relevant faculty team. Your sign-up page should look like this:

2. From there, you can either create your account by setting up your credentials or using Google or LinkedIn social logins.

- Next, make sure to complete the required information, including using your university email address and your university specific pathways code. This should have been included in the email from your university, so if you are missing your pathways code, please follow-up with your relevant careers/faculty team.

UNLOCK UNIVERSITY PATHWAY

FAQ's

Can I access Pathways on phone or tablet?

Explore Pathways is currently best experienced on a desktop or laptop. We would not recommend accessing any materials or workshops on your phones or tablets.

What if I already have made an AmplifyME account?

If you've previously registered with AmplifyME using a personal or university email address, this is not a problem. Just follow the instructions above, and where it says create a new account, log in with yours instead.
