MSc in DATA SCIENCE

A limited number of merit-based scholarships is available. **In addition, research and teaching assistantships worth €3000 are guaranteed to full time accepted students who express interest, thus reducing tuition fees to €3000.** Assistantships involve 10 hours of academic work (e.g., helping with undergraduate classes, computer administration in a laboratory, data analysis for a research project, etc.) per week of school, exempting examination weeks.

Tuition fees are non-refundable. More details can be found in the Program Regulations Handbook.

The Program does not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, age or disability. Our nondiscrimination policy applies to all phases of the admission and scholarship process, and to all aspects of the educational programs and activities.
