

## CALL FOR APPLICATIONS – INTAKE SEPTEMBER 2026

The **MSc program in Financial Management** of the **Athens University of Economics and Business** is now accepting applications for the intake September 2026. The program is addressed to university graduates as well as to business executives who wish to upgrade their knowledge in the fields of Data Driven or Sustainable Financial Management via an English-speaking graduate course.

The postgraduate program leads to the award of a Master's of Science (MSc) degree and offers:

- A 12-months **full-time program**, designed to meet the needs of graduates, with lectures taking place mainly during the morning or in the afternoon.
- A 24-months **part-time program**, designed to meet the needs of business executives, where lectures are conducted in the evenings.

Students in both courses can specialize in:

- **Financial Management**
- **Data Driven Financial Management**
- **Sustainable Financial Management**

Lectures in specializations a) Financial Management and b) Data Driven Financial Management take place mainly in week days, while lectures in specialization c) Sustainable Financial Management take place on Fridays and Saturdays, **save for unforeseen circumstances**. Places available in each specialization are subject both to an upper and lower limit of participants, based on admission criteria and the program's academic regulation.

Participating in the program requires the payment of certain **tuition fees** (further info can be found at <https://dept.aueb.gr/el/MSc-FM/content/tuition-fees-and-financial-aid>).

The Program operates in accordance with its [Academic Regulation](#) (Bulletin B' of the Greek Government Gazette No. 4347/25.07.2024) and Law 4957/2022.

**The program has a rolling admissions procedure, conducted in two rounds, with the following deadlines:**

- 1<sup>st</sup> round, Friday April 3<sup>rd</sup> 2026
- 2<sup>nd</sup> round, Tuesday June 30<sup>th</sup> 2026
