

Junior Reward and People Analytics specialist - Internship

Vodafone is looking for a passionate Junior Reward and People Analytics specialist to join our HR team for a 4-month internship. You will take part in various challenging reward-related projects providing analytical support, managing large amount of data from multiple sources and presenting the results of your analyses. The ideal candidate should be a results oriented team player, able to adapt easily to our vibrant environment, bring fresh ideas and have strong sense of ownership.

Requirements:

- MSc in Data Science, Analytics or Statistics (completed or in progress)
- Good knowledge of statistical techniques
- Strong analytical and communication skills
- Excellent command of English and MS Office
- HR background desired but not necessary

We're at our best when you're at yours. Power to you

The applicants can directly send their CV to Baladima Eirini, Vodafone Greece [eirini.baladima@vodafone.com].
